FAQ

****1. What services do you offer?***

We provide a wide range of interior design services including space planning, furniture selection, color consultation, lighting design, and more. Whether you're looking to redesign a single room or your entire home or office, we have the expertise to help.

Phone: +8801748383685, +8801811007580, **Email:** ecorationbd@gmail.com

Company Profile: Ecoration

****2. How much do your services cost?****

The cost of our services varies depending on the scope of the project. We offer personalized quotes based on factors such as the size of the space, the complexity of the design, and the materials selected. Contact us for a complimentary consultation and custom quote.

****3. How long does a typical project take?****

The duration of a project depends on its complexity and scale. A small room redesign might take a few weeks, while a larger project could take several months. We work closely with our clients to establish timelines and keep them informed throughout the process.

****4. What is your design process like?****

Our design process begins with an initial consultation where we discuss your vision, preferences, and budget. From there, we create a design concept and present it to you for feedback. Once approved, we proceed with detailed planning, sourcing of materials, and project execution to bring your vision to life.

****5. Do you work with existing furniture and decor?****

Absolutely! We can incorporate your existing furniture and decor into the new design, or help you decide what items should be replaced or

updated. Our goal is to create a cohesive and personalized space that reflects your style and preferences.

****6. Can you help with sustainable or eco-friendly design?***

Yes, we are committed to offering sustainable design options. We can recommend eco-friendly materials, energy-efficient products, and design strategies that minimize environmental impact without compromising on style or functionality.

****7. How can I get started with your services?***

Getting started is easy! Simply contact us via phone or email to schedule an initial consultation. During this meeting, we'll discuss your project goals, timeline, and budget. We look forward to helping you transform your space!

****8. Do you provide design consultations for smaller projects?***

Yes, we offer consultations for projects of all sizes. Whether you need help choosing paint colors, rearranging furniture, or updating a single room, we provide expert advice and guidance to help you achieve your design goals.

****9. Can you handle commercial interior design projects?***

Phone: +8801748383685, +8801811007580, **Email:** ecorationbd@gmail.com

www.ecoration.com.bd

Company Profile: Ecoration

Yes, we have experience with commercial interior design projects including offices, retail spaces, restaurants, and more. We understand the unique requirements of commercial spaces and can create functional and appealing environments that enhance your business.

****10. What sets your interior design firm apart from others?***

Our firm is known for our attention to detail, creativity, and commitment to customer satisfaction. We take the time to understand our clients' needs and preferences, and we strive to deliver designs that exceed expectations. Our collaborative approach ensures a smooth and enjoyable design experience from start to finish.
